

## GREAT WORK BY BURNS

Was More Than Offset By Ragged Fielding

## CHAMPIONS LOSE GAME

Ottawa Won on Inter-city Grounds 4 to 1—Three Errors by Champs in the First Gave Ottawa Two Runs.

In a game marked by great pitching by Eddie Burns and by ragged fielding on the part of the rest of the team the champions lost to Ottawa yesterday afternoon on the local grounds 4 to 1. Three errors by the champs in the first inning gave Ottawa two runs and in the eighth they got two more on two singles, two passes to first and a throw by Eaton which hit Hildebrand in the back and let in one of the runs. Davis, at short, was way off his usual form and made three errors which figured in the visitors' run getting. After the poor work in the first inning, Burns, in the next two innings pitched phenomenal ball and did his best to stay the tide until the team could get onto its feet again and save the game. Only six men faced him in the second and third. He struck out three straight in the second and two more in the third and the third man on his assist. But his work amounted to no more than to hold the visitors down as the home team could not bunt their hits on Hildebrand and besides he was second errorless support.

The Canadians' second baseman, Durkin, played a great game, robbing the inter-city of two line drives which ought to have been safe and having six put outs to his credit. Elliott made the only tally of the champs in the fourth inning. He singled and was sacrificed to second and got to third on a pass ball then scoring on Unick's single. The inter-city's red work began with the first man up in the game. Durkin who headed the Canadians' batting list hit a grounder to Davis and he fielded it perfectly but he threw a mile over Ashmore's head and the runner got to second. Dorman fired out to Daniels and while Ray was frisking out Durkin got to third on an error by Elliott who let the ball go through his hands on a throw by Burns to catch the runner off the base. "Shag" Shaughnessy was up next and though he tried his best to hit he was given a free pass. Hildebrand knocked out a single scoring Durkin and Shaughnessy landed at third. When Hildebrand started down to second, Eaton made the short throw to Davis to catch Shaughnessy if he started home but Davis dropped the throw and Shaughnessy scored. Burns then retired the side by catching Hildebrand off second on a throw to Elliott. The first three up for the home team were easy outs. Daniels died on an assist to short. Elliott fled out to center and Davis went out on a ground hit to second. With the opening of the second inning the spectators, if nothing more, were treated to a good exhibition of pitching. Sanger, Kennedy and Clayton went up to the plate and were called out in succession before they saw the ball enough to get one swipe at it. In the next inning Welch and Durkin both pounded the atmos-

## FINE ICE CREAM

We have opened an Ice Cream Parlor in connection with our Fruit Store, where the finest Ice Creams are served. Try our Strawberry Ice Cream, made from real fruit.

We also wholesale and retail Ice Cream, and all orders of a gallon and more delivered. We deliver Fruit free at your homes.

phers and then Dorman, the first man in the six that even touched the ball, knocked it at first. For the champs in the second inning Unick drove a liner by the pitcher which Durkin held up at second by making an excellent running catch. Eaton singled by third and stole to second. Ashmore went out on an assist to the pitcher and Eaton got third on the play. All that was needed now was a single for a score but Williams closed the inning by popping a fly to Durkin.

The Hyphens went out in the one, two, three order in the third but in the fourth after they had retired the visitors by putting out Ray, Shaughnessy and Hildebrand all at second base, Elliott started on the champs' only tally by rapping a Texas-leaguer back of third. Davis sacrificed him to second and with a good lead off second he got to third when the catcher let a ball bound out of his mit. Unick then brought in the score with a safe one by first. Unick was put out trying to steal second as the Boston Nationals club on Cleveland today and were badly beaten, Cincinnati 12, Boston 4. Hanlon's men getting 16 hits off Dornier.

**Attention, Union Men!**

It is your duty, as Union men, to see that the Union Label is on all your purchases. It is your duty to make these purchases at stores displaying the Union Card. It is your duty to make those purchases within the working hours of the help. When patronizing the barber shops, be there in time so as to let the help finish at the closing time, so that you may not be the means of making those Union members work overtime.

We do not patronize the barber shop run by Frank Fanning in the Griffin building at North Barre.

**Notes on the Game.**

Are we outclassed? "Ask the man." Who said that Stankard was coming? It looks a little as if the Champions were on the land slide.

Counting out Burns, Punch Daley ought to have said, thank you.

Burns' work in the second and third reminded the fans of the old Rutland days.

It was considerable of a surprise to the fans to see Davis put up the game he did yesterday.

The sextette of cow bell ringers on the bleachers put the harp and violin players on the grand stand out of business.

Where were the ladies yesterday? There was hardly one to be seen in the grand stand. They must have decided that if they couldn't wear their white dresses and short sleeves they just wouldn't go.

**No Game at Rutland, Rain.**

Burlington, July 18.—The Burlington team returned from Rutland yesterday afternoon, rain preventing the game there. Yerkes, who has lost but one game this season, was down to pitch against the unbeaten Tif, and the promise of a battle royal had all the Marble City rooters on edge with excitement. When Burlington and Rutland do get together the fun will only be the better and more furious. It's bound to come.

Surely there's nothing else keeps the old as young and makes the weak as strong as this grand tonic medicine. Dyspepsia, torpid liver, inflamed kidneys or chronic constipation are unknown after taking Electric Bitters a reasonable time. Guaranteed by the Red Cross Pharmacy. Price 50c.

## DETROITS TAKE SECOND GAME

Won From Bostons Again Yesterday

## THE SCORE WAS 5 TO 3

Boston Nationals Lose to Cincinnati—Chicago Wins from New York and Philadelphia from Pittsburgh.

Boston, July 18.—Ball players and fans alike had to suffer from the oppressive heat and the uncertainty of possible showers prevented many from gazing on the daily sport. The Tigers made their second appearance of the season and expected to duplicate their previous feat of capturing three straight games. They certainly made good with the first game, getting away with it with the score, Detroit 5, Boston 3. This was the only game played by the American league yesterday, on account of rain at New York, Philadelphia and Washington.

The Boston Nationals opened a series with the Cincinnati club at Cleveland today and were badly beaten, Cincinnati 12, Boston 4. Hanlon's men getting 16 hits off Dornier.

## WORST OF THE SEASON.

Both Temperature and Humidity Unusually High.

Boston, July 18.—A breathless morning which followed early showers, deepened by noon into the most unbearable day of the summer in Boston yesterday. The discomfort arose from the fact that both the temperature and humidity was high at the same time.

The temperature which at the noon hour was 87 was the highest of the summer. Simultaneously there was a high state of humidity the average for the day being 90 per cent.

Michael McGinnis, 306 Medford street, Charlestown, stricken in park at Sullivan square died from the heat. There were several other fatalities.

New York, July 18.—With temperature at 87 degrees and a recorded humidity of 90 per cent, New York experienced yesterday the most disagreeable weather of the summer. While the day was not so hot by six degrees as the maximum temperature recorded during the hot spell of June 30, the humidity has rendered the day equally as unpleasant. Several heat prostrations were reported during the day. These were killed by the heat:

Katie Dorsey, aged six months, of 606 East Sixteenth street.

Edward Martin aged six months, of 162 Bedford street.

Hyman Sedwitz, aged eight months, 334 Cherry street.

Relief from the intolerable heat and humidity of the early day came at 2.30 o'clock in the afternoon when black clouds came up and rain began to fall, accompanied by thunder and lightning and a slight breeze.

Soon the rain came down in torrents and it grew as dark as night outside. Pedestrians could hardly see ten feet in front of them in City Hall Park.

## KILLED SAME DAY HE IS SWORN AS POLICE HEAD

San Francisco, Cal., July 18.—Gen. R. H. Warren, who was sworn in Monday at police commissioner, was killed that evening in an accident on the Mt. Tamalpais railway.

Gen. Warren was one of the best known Grand Army men on the Pacific coast, and was high in Masonic ranks.

For over 30 years he had been a hotel proprietor in San Francisco, conducting for the last 10 years the California hotel, from which he retired a few months before the earthquake.

Originally he came from Rochester, N.Y.

## FUSION IN CHITTENDEN.

Burlington, July 18.—It is expected that the Democratic and Independent tickets will fuse at the two Chittenden county conventions, both of which will be held tomorrow.

V. A. Bullard is chairman of the Democratic county committee, and S. J. Beatty of the Independent.

At both conventions Burlington will have 47 delegates, Colchester 14, and the other towns in proportion.

The ticket will be divided between the two parties. The candidate for sheriff will be E. H. Horton, Democratic, the present incumbent of the office, elected two years ago over Thomas Reeves, Republican.

The parties will agree on Matthew Leary, Democratic, of this town, a former state's attorney. The other candidates have not been selected.

## LEPERS HOLD ELECTION.

Also Thank Government for Giving Them Good Quarters.

Washington, July 18.—Even leprosy cannot force Filipinos to abandon politics. The bureau of insular affairs has received reports of an election recently held on the island of Cebu, the leper colony, for the choice of a president and councilors, or councilmen.

The lepers formulated resolutions thanking the Philippine government for the excellent quarters it has provided for them on the island, which is given over entirely to the unfortunate and will eventually be made the home of all the 5,000 lepers in the archipelago.

At present there are more than 600 unfortunate in the colony.

## Quincy Stone Cutter Killed.

Erwin and Arthur Kelley, two Penn street young men, made a ghastly find at midnight Saturday night on the railroad tracks at South Quincy near the shade of Long & Saunders. The young men were crossing the tracks from Franklin to Penn street on their way home. As they stepped onto the track they were horrified to see the body of a man lying on the tracks. Examination showed that the body had been cut in two. The police were notified and the body taken to Hall's undertaking rooms.

From papers found in the clothing the man was identified as David Work, formerly of Quincy but recently of Milford, N. H. Mr. Work was a stone cutter, and lived in Quincy for a number of years. He had been at work recently at Milford and was on a visit to Quincy.

—Quincy, Mass., Ledger.

## For Fusion!

A MASS CONVENTION of the Independent Voters of

**WASHINGTON COUNTY**

will be held at

**FORESTERS' HALL**

Union Block, Montpelier, Vt.

**SATURDAY, JULY 21st**

AT 10 O'CLOCK A. M.

To place in nomination candidates for County Officers, viz.:

SENATORS, 2 ASSISTANT JUDGES, SHERRIFF, STATE'S ATTORNEY, HIGH JUDGE AND JUDGE OF PROBATE.

To be voted for at Freeman's Meeting on Tuesday, September 4, 1906.

To elect Town Committees, and a County Committee, to serve for the two years next ensuing. To transact any other necessary business.

All Legal Voters Who are Interested are Invited to Attend.

Edward J. Hall of Bennington, chairman of the State Committee and candidate for State Auditor is expected to be present and address the convention. Other members of the state ticket will be present and make short addresses.

By order of County Committee.

## THAW CALLED A LUNATIC

By "Trusty" Alienist Hired To Watch

## THE TOMBS PRISONER

By the District Attorney — Move to Head Off Jerome in Securing Evidence—Mother of Murderer for Oicott.

New York, July 18.—The Evening World of yesterday says:

For three weeks a man of reputation as an alienist, in the guise of a canvasser "trustee," has been locked up in the Tombs, keeping Harry Thaw under daily, almost hourly observation. The district attorney sent this expert there to watch Thaw's movements. He was assigned to the part of the prison where Thaw is confined.

This man, it is learned, has been making reports regularly to Mr. Jerome. In every report his conclusion is the same—he thinks Harry Thaw is a lunatic.

Wardens, turnkeys and other employees of the prison have been under instructions to study Thaw without letting Thaw know of it. Certain of the prisoners confined in murderers' row also agreed to keep their eyes on Stanford White's case, providing the relatives of Stanford White or the attorneys of Thaw ask it.

As a result of this mass of information, it is stated on what appears to be reliable authority that Mr. Jerome will undoubtedly consent to the appointment of a lunacy commission in the Thaw case, providing the relatives of Stanford White or the attorneys of Thaw ask it.

To Restrain Jerome.

John D. Gleason, one of Thaw's counsel, approved before Justice Blanchard in the supreme court yesterday, and secured a writ restraining the district attorney and the grand jury from taking any evidence as to the killing of Stanford White. The writ also restrains the district attorney and the grand jury from issuing any subpoenas in connection with the matter of the killing of White.

Justice Blanchard also issued an order, directing the district attorney and the grand jury to show cause today why they should not be absolutely restrained from any further proceedings in the matter of the killing of White and against Harry K. Thaw.

Mrs. Harry K. Thaw paid her daily visit to her husband in the prison yesterday. She said she did not know whether or not Thaw's mother, Mrs. William Thaw, will visit her son again today.

Thaw also had a consultation with his counsel, Clifford W. Harridge, and his partner.

## BOOTS AND SHOES.

Colored Shoes Not For Women With Large Feet—Irish Lace Slippers.

Girls whose feet are not of the small proportions will do well to leave colored shoes severely alone. Brown and black shoes are by far the safest mode for a girl who takes any size bigger than a small four. There is something very fascinating about a tiny red shoe peeping out beneath a white moccasin frilly sock, while blue footgear allied to a blue gown is almost equally as dainty, but the whole effect becomes absurd if the foot is not built on the smallest lines.

The trend of present fashion favors shoes of Irish lace mounted over pale

colored satin is one of the chief features of the season, the heels being carried out in colors to correspond with the linings, while "saddle" paste buttons take the place of bows. Brocade slippers for house wear carried out in the richest brocades in old French patterns represent another fancy.

To darken brown boots they must be brushed with a weak solution of ammonia or soda in warm water. After drying apply with a brush a warm solution of blumack brown, repeating till desired shade is obtained. Lined oil will also darken. Finish with clean tallow or mutton fat, brisk brushing. Tan boots may be renovated by mixing a little ammonia water with half a pint of milk and bottling it. Shake well, apply with a sponge and allow to dry and then polish with a soft duster.

The lingerie blouse illustrated is tucked in tiny groups to form a pointed yoke. Below this point is an elaborately worked rose design.
